November 3, 2015 Meeting

The lack of a quorum delayed the opening of our regularly scheduled meeting.

Chairman Solli, Kevin Smith, the Administrator and Mr. LoPresti met with Brad Schide, our Development Consultant regarding the RFQ for architects.

Our add will go into the Register on December 2, for one day. The return date for the RFQs will due on 12/30. When Commissioners Krampovitis and Kornacki arrived, we were able to conduct the regular portion of the meeting. They were briefed on the development process and all voted to proceed as required.

The Administrator reported the following:

The approved budget was approved by CHFA,

The storm doors are presently being installed.

The people from Community Action have been at both projects to take applications for energy assistance.

Marge Bergin, the RSC, returned to work on Monday. (The commissioners suggested we hire someone to assist her)

It was also recommended that we seek some type of an internship from a Quinnipiac student to help with office duties.

Interviews are being conducted for 3 vacancies. The original vacancy has been filled by William & Carol Mathews.

Thanks to two Parkside residents, Mr. Freda has offered to help with tree removal at Parkside. A 5 year plan will soon be available.

A memory screening program, conducted by Dr. Varano from Hamden Health care, will be conducted on November 16th.

Quarterlies were distributed and discussed.

There being no further business, the meeting was adjourned at 5:47. We will meet again on Tuesday, December 1, 2015 at 4:00pm. Please call the office if you cannot attend.

Respectively Submitted,

Anne McKeon, Administrator
